IN RE: INTERSTATE POWER AND LIGHT COMPANY	DOCKET NO. RPU-02-8 (RPU-02-3)
---	-----------------------------------

ORDER GRANTING INTERVENOR STATUS AND PERMISSION TO APPEAR

(Issued August 7, 2002)

On July 31, 2002, Interstate Power and Light Company (IPL) filed with the Utilities Board (Board) an application for approval of its class cost-of-service study, rate design, and rate equalization proposals. The filing is identified as Docket No. RPU-02-8. Currently, IPL has pending an application for an electric rate increase, identified as Docket No. RPU-02-3.

Numerous parties have intervened in Docket No. RPU-02-3. Those parties in their filings have expressed an interest in the class cost-of-service study, rate design, and rate equalization issues. Therefore, the Board will grant intervenor status in Docket No. RPU-02-8 to all intervenors in Docket No. RPU-02-3. Any requests for permission to appear granted in Docket No. RPU-02-3 will also be deemed granted for Docket No. RPU-02-8. If any of those intervenors do not want to be a party to Docket No. RPU-02-8, the Board should be notified in writing and that party will be removed from the service list.

IT IS THEREFORE ORDERED:

1. All persons granted intervenor status in Docket No. RPU-02-3 are granted intervenor status in Docket No. RPU-02-8.
2. All counsel granted permission to appear in Docket No. RPU-02-3 are granted permission to appear in Docket No. RPU-02-8.
